

# BACWA Roundtable Discussion

## Adapting to Sea Level Rise, Extreme Precipitation, and Flooding

**August 23, 2022, 10 AM - 12 PM**

Join your fellow BACWA agencies for this **virtual members-only roundtable discussion**. Please plan to share:

- **Partners** - Who are you collaborating with?
- **Process** - What does the adaptation planning process look like at your agency? Where are you finding useful guidance? What are you struggling with?
- **Scenarios** - What sea level rise and extreme precipitation scenarios is your agency assuming for capital planning?
- **Support** - For effective planning, what support do you need from regulators, state & local government, and organizations like BACWA and BayCAN?
