Identical letter sent to IRWMP LOMU Signatories

Subject: Bay Area Integrated Regional Water Management Plan

Dear :

Thank you for your continuing support and participation in the development of the Bay Area Integrated Regional Water Management Plan (IRWMP). On behalf of the Technical Coordinating Committee, I am pleased to forward to you a public review draft copy of the Bay Area IRWMP for your review and comment. I urge you to forward your comments to the project web site [info@bayareairwmp.net](mailto:info@bayareairwmp.net) by Wednesday, October 18<sup>th</sup>, such that your comments can be addressed at the October 23<sup>rd</sup> workshop. The workshop will be held at the Elihu M. Harris Building, 1515 Clay Street in Oakland. Further details about the workshop can be found on the project web site.

Furthermore, I urge you to adopt the final IRWMP upon its completion, as a signatory to the Letter of Mutual Understanding for the Bay Area IRWMP. The IRWMP is scheduled to be finalized by the end of October so that it can be adopted in time prior to the State's adoption deadline of January 1, 2007.

In light of the tight deadline for IRWMP adoption, please consider beginning your internal legal review and administrative processes as soon as possible. Please do not hesitate to contact Amy Fowler of my staff at [afowler@valleywater.org](mailto:afowler@valleywater.org) if you have any questions.

Sincerely,

Original Signed by

Stan Williams, CEO, Santa Clara Valley Water District, and  
Chair, Bay Area IRWMP Technical Coordinating Committee
