

Collection System  
 Committee Report to  
 BACWA Board

April 23, 2007

Prepared By : Doug Humphrey,  
 Committee Chair

**Committee Request for Board Action:**

**Business Discussed and Action Items:**

Business	Action Item	Due Date
<b><u>April 2007 "Meeting" items:</u></b>		
<p><u>State "Training Workshop" regarding electronic reporting - SSO WDR</u> The Committee "meeting" consisted of the hosting of a presentation on the state reporting system by Eric Maag of the State Board staff. EBMUD hosted and Oakley Water Strategies coordinated this Friday April 13<sup>th</sup> event. It was very well attended, over 50 participants.</p> <p><u>Outreach to Plumbers and Building Contractors</u> The committee has previously discussed the proposed "regional outreach" program for informing contractors about how lateral problems can create SSOs in agency lines. An informational brochure/flyer on BMPs regarding lateral work performed by plumbing and building contractors is being developed, and needs to be completed by early Summer for inclusion in the second set of SSMP elements due on August 1, 2007.</p> <p><u>Future Topics &amp; Meetings</u> Plumbers Outreach, other SSMP elements.</p> <p>The next meeting is scheduled to be held on May 17<sup>th</sup>.</p>	<p>Brochure/flyer will be developed and transmitted to agencies prior to completion of Phase 2 SSMP documents</p>
