

Recycled Water – Report  
to BACWA Board

May 8, 2007

Prepared By:  
Paula Kehoe, Committee Chair  
Linda Hu, Vice Chair

Committee Request for Board Action:

None

Business Discussed and Action Items:

<b>Business</b>	<b>Action Item</b>	<b>Due Date</b>
<b>IWRMP</b>	May 7 is the next IWRMP meeting.	
<b>HR 1526 Update</b>	HR 1526 is scheduled for House hearing on May 17 and Gary Darling plans to attend.	
<b>Interagency Regional Partnership Workshop</b>	The group will discuss deferral of the interagency workshop on a conference call, mainly due to the collapse of major freeways that facilitate travel between the East Bay and San Francisco.	
<b>White Paper on Benefits of RW in SF Bay Area</b>	Comments on White Paper are due on May 3, 2007. The paper will be ready for distribution on May 9, 2007.	
<b>Other</b>	<p>Inquiry on environmentally-friendly recycled water pipe materials. Eric H will ask if San Jose’s environmental management system staff is aware of any information.</p> <p>The group discussed the planning of the next N. Cal Chapter meeting on June 15, which will focus on cooling tower applications using recycled water. The group also discussed the WR State Section’s interest in a golf course irrigation seminar.</p>	

**Next Meeting:** June 13, 2007, 9:30 am, EBMUD Headquarters
