Document Control	Prepared by Divya Bhargava (Project Engineer) Reviewed by Randy Schmidt (Committee Chair)
Committee Request for Board Action	None at this time.
Committee Agenda Items	None at this time.

Recent Committee Actions:

Recent Committee Actions	<ul style="list-style-type: none"> • Committee Meeting was held on July 20, 2011 at SFPUC’s Oceanside Wastewater Treatment Plant Site • The meeting included our standard regulatory presentation, followed by a presentation and tour of SFPUC’s FOG and bio-energy/fuels renewable programs • Our meeting included a presentation by AIR Chair Randy Schmidt on CARB’s proposed updates for the Cap & Trade program and Mandatory Reporting • We also discussed SF BCDC’s Bay Plan Amendments and how it could potentially impact the POTW’s • It was decided that a group meeting will be scheduled with BAAQMD regarding compliance challenges with Regulation 9 Rule 7 (for boilers, steam generators, and process heaters). Before that Randy Schmidt will draft a letter from the BACWA AIR Committee to Brian Bateman (BAAQMD Engineering Director) • We also discussed the proposed AB 752 bill regarding planning for sea level rise and the potential requirement for potentially impacted special districts and cities that administer state-granted coastal public lands to develop a plan that addresses mitigation for sea level rise impacts to infrastructure and habitat protection. Bill’s status: in committee; first hearing date TBD. • During the second half our meeting, there was an interesting presentation and tour by Karri Ving and Natalie Sierra of SFPUC, which showed how they convert FOG from restaurants & households into biodiesel using a patented technology. <p>Air Committee will continue to track air quality regulations in FY 2011/12 through the following means and continue to collaborate with the CWCCG regarding climate change regulations and activities.</p> <ul style="list-style-type: none"> • Quarterly meetings: <ul style="list-style-type: none"> - The next BACWA AIR meeting is scheduled for Wednesday, October 19th, 2011. CCCSD is reviewing the possibility of hosting the meeting at their site, otherwise the meeting will be held at the CH2M HILL offices in Oakland. - The first quarterly meeting of 2012 is scheduled to be conducted at the San Jose/Santa Clara Water Pollution Control Plant • Newsletter(s): We would continue to prepare the BACWA AIR newsletter annually • Website: We would continue to keep the website updated with the current issues • AIR Issues Matrix: We will keep updating the AIR Matrix regularly to incorporate any new issues and to keep members up to date with the current issues
