**Committee Agenda Items** None at this time.

**Recent Committee Actions:**

<p><b>Recent Committee Actions</b></p>	<ul style="list-style-type: none"> <li>• The California Wastewater Climate Change Group (CWCCG) Steering Committee recently distributed a request for proposal (RFP) for a new consultant. Proposals were received from CleanTech, RMC, and Carollo Engineers in response to this RFP. The CWCCG Steering Committee interviewed each candidate on March 26, 2013 in Sacramento and has selected Carollo Engineers as the new CWCCG consultant. The California Association of Sanitation Agencies (CASA) is working to contract Carollo Engineers.</li> <li>• Due to an increase in digester and biogas issues, CASA has formed an energy work group to alleviate some of the CWCCG's responsibilities. The energy work group's first meeting was held on March 14, 2013. The next meeting is scheduled for April 11, 2013 via teleconference.</li> <li>• The CWCCG will be requesting \$15,000 from BACWA for fiscal year (FY) 2013-2014 activities during the June BACWA Executive Committee Meeting.</li> <li>• Although the BACWA AIR Committee will keep participation costs at the same levels as last year (approximately \$74,000), it intends to request an additional \$25,000 from BACWA to conduct meetings bimonthly, prepare an annual newsletter, and address recent revisions to the BAAQMD's particulate matter with an aerodynamic diameter of 2.5 microns or less (PM<sub>2.5</sub>), greenhouse gas (GHG), and new source review (NSR) regulations.</li> <li>• The BACWA AIR Committee will be submitting its FY 2013-2014 budget at the May BACWA Executive Committee Meeting.</li> <li>• The BACWA AIR Committee will be requesting that CH2M HILL be retained for 3 more months while an informal consultant selection process is conducted. The plan will be to ask the for a 3-year contract for the next consultant from the BACWA Executive Committee.</li> </ul>
