

# Agenda

## **BACWA Nutrient Regulatory Workshop**

Friday June 21, 2013 from 9:00-11:00 am

**Location:** EBMUD Headquarters at 375 11th Street in downtown Oakland.

**RSVP:** Reply to Alexandra Gunnell at [agunnell@bacwa.org](mailto:agunnell@bacwa.org)

### **Meeting Goals:**

-Inform leaders of BACWA membership about the important nutrient issue and its policy implications

-Receive input on the collaborative approach that is being undertaken by BACWA and the SF Bay Regional Water Board (Water Board), which will result in permit requirements impacting all Bay Area POTWs.

**Meeting Materials:** [SF Bay Regional Water Board's Nutrient Strategy](#), SFEI's [External Nutrient Loads to SF Bay \(4/9/13\)](#) and [Conceptual Model](#).

**I. Introduction:** Mike Connor/BACWA Chair (9:00-9:10 AM)

**II. San Francisco Bay Nutrient Trends and Numeric Endpoint Development/Nutrient Strategy:** David Senn/SFEI and Naomi Feger/SF Water Board, SFEI (9:10-9:30 AM)

**III. BACWA Role to Date:** Dave Williams/BACWA ED. (9:30-9:40 AM)

**IV. Nutrient Watershed Permit Concepts:** Tom Mumley/SF Water Board. (9:40-10:00 AM)

**V. Discussion of Approach and Watershed Permit Concepts:** Mike Connor/ Moderator (10:00-10:30 AM)

**VI. BACWA Only discussion of Nutrient Next Steps:** Mike Connor/Moderator (10:30-11:00 AM)
