

Annual Member Meeting

January 30, 2014

MISSION

Through leadership, science and advocacy, BACWA provides an effective regional voice for the clean water community's role in stewardship of the San Francisco Bay environment.

GOALS

Member Service

1. Members are informed of critical issues and activities.
2. Members comply with applicable rules and regulations.

Informed Regulation

3. Environmental regulations and policies reflect the best available scientific, technical, and economic information.
4. Regulations consider environmental, social and economic sustainability.

Environmental Stewardship

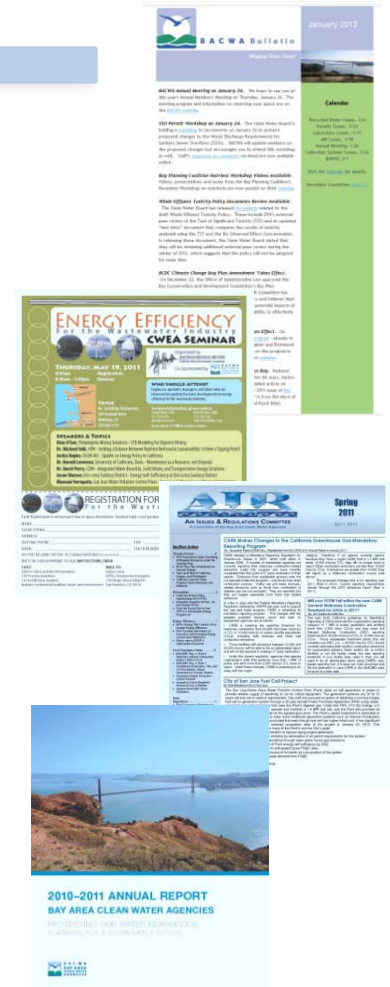

5. Members optimize the value available from wastewater.
6. Watershed management principles are applied to address San Francisco Bay management challenges.
