## Tri-TAC, SCAP, and BACWA Survey on POTW Greenhouse Gas Emissions Inventories

1. Has your agency voluntarily joined the California Climate Action Registry?
2. Does your agency plan to join the California Climate Action Registry?
3. Has your agency conducted a GHG emissions inventory before?
4. If your agency has conducted a GHG emissions inventory before:
  - a. What GHGs did your agency report?
  - b. What sources of emissions were reported?  
(Direct – mobile, stationary, process, fugitive; Indirect – purchased energy)
  - c. What estimating methods/protocols were used?
