Support for BACWA's Bay Area Pollution Prevention Committee Public Education and Outreach

Introduction

The Bay Area Clean Water Agencies (BACWA) is a regional organization created by a joint powers agreement among the five largest wastewater treatment agencies in the San Francisco Bay Area. BACWA represents Bay Area wastewater agencies by undertaking relevant scientific and technical studies and research, and by participating in the development of national, state, and regional policies. BACWA has several committees that provide a venue for our member agencies to meet and discuss issues of common importance.

One of BACWA's key committees is the Bay Area Pollution Prevention Group (BAPPG). BAPPG develops a Bay wide pollution prevention program, including regulatory advocacy, public education, and outreach on how to prevent pollution through individual housekeeping as well as improved industry practices.

BACWA seeks the services of an individual(s), a firm, or team (Consultant) to provide support for BAPPG. The Consultant will develop public education and outreach campaigns based on the messages and target pollutants that BAPPG prioritizes each fiscal year. In Fiscal Year 2020, the outreach priorities will be to develop and promote messaging related to:

- Pharmaceuticals and personal care products
- FOG (Fats, Oil, and Grease)
- Toilets aren't Trash Cans
- Pesticides (including OWOW)
- Copper
- Mercury/dental amalgam
- PCBS

The consultant will be responsible for buying print media, internet, radio, and/or television ads, and reporting the impact of these ads back to BAPPG. The consultant will also provide graphic design and content editing assistance with BAPPG's Annual Report.

Request for Qualifications

BACWA is issuing this Requesting for Qualifications from Consultants interested in providing public outreach support to BAPPG, as a first step in a competitive qualification based process. Consultants submitting their Qualifications should have a background in developing messaging for public education campaigns, and working with public agencies. The Consultant should also have experience working with media outlets to purchase advertising time or space, to optimally target public outreach messaging.

Organization and Content of the Submittal

The Qualifications must be submitted in the form of a letter briefly describing the firm's capabilities and qualifications along with attached resume(s) of key individuals. Please limit the overall number of pages of the letter, excluding the resume(s), to 2 pages or less. If added pages are need please contact the BACWA Regulatory Program Manager, Lorien Fono, with the rationale.

Submittal

Please submit Qualifications via email to Lorien Fono (lfono@bacwa.org) by 5pm on May 3, 2019.

Consultant Selection

Following receipt of Qualifications, a Selection Committee made up of BACWA Board members, BAPPG Steering Committee members, and BACWA staff will evaluate the submittals. Based on submittals received, the Selection Committee will either recommend that BACWA solicit full proposals, or sole-source the contract based on the candidate with the strongest qualifications. Consultants submitting qualifications will be notified of BACWA's decision by May 15, 2019.

Following Consultant selection, a Scope of Work and contract will be negotiated. The contract will specify billing for services on an hourly basis as required to complete the Scope of Work. The contract will begin July 1, 2019. The term of this agreement shall not extend beyond June 30, 2020 but may be extended for four additional one-year terms at BACWA's discretion, ending June 30, 2024. The amount of the extended contract will be negotiated at the time the contract is extended. The BACWA standard consulting agreement will be used for this work (see attachment A).
