APPLICATIONS DUE: JANUARY 28, 2022, at 5:00PM

ABOUT BACWWE

The Bay Area Consortium for Water/Wastewater Education (BACWWE) is a partnership between 22 water and wastewater agencies in the San Francisco Bay Area and various educational institutions to provide financial support to students interested in pursuing a career in the treatment and conveyance of drinking water, wastewater, and recycled water. This scholarship program was created to reimburse students who meet the criteria for tuition, fees, and textbook costs for approved programs.

WHAT IS THE BACWWE SCHOLARSHIP?

The BACWWE Scholarship provides reimbursement for up to 150 student-courses per semester for water/wastewater programs at approved educational institutions (each course completed by each student is one student-course). The BACWWE selection committee will determine how the scholarships are awarded and prioritized, but the goal is to support students who are committed to continuing for a full certificate program and/or Associate's Degree. The award is for up to \$350 per student-course per semester. This is to cover ACTUAL STUDENT COSTS for the following: tuition, fees, and textbooks for water/wastewater courses only (receipts must be provided to support actual costs paid by student).

HOW DO I APPLY FOR A BACWWE SCHOLARSHIP?

To be eligible for a BACWWE scholarship, you must:
